SECTION B

PURCHASE ORDER TERMS AND CONDITIONS

The following terms and conditions apply to all Purchase Orders issued by Howard County and are applicable to all purchases made as a result of this solicitation.

- 1 No purchase of materials, supplies, equipment, and/or services will be recognized unless made through the Office of Purchasing.
- 2 The County may at any time insist upon strict compliance with these terms and conditions, notwithstanding any previous custom, practice or course of dealing to the contrary.
- 3 The terms and conditions of sale as stated in this Purchase Order govern in the event of conflict with any terms of the Contractor's bid, and are not subject to change by reason of any written or verbal statements by the Contractor or by any terms stated in the Contractor's acknowledgement without prior written authority from the Office of Purchasing.
- 4 If the price is omitted on the Purchase Order, except where the Purchase Order is given in acceptance of quoted prices, it is agreed that Contractor's price will be the lowest prevailing market price and in no event is this Purchase Order to be filled at higher prices than last previously quoted or charged without prior written authority from the Office of Purchasing.

- 8 No freight/delivery/fuel charges will be paid by the County unless specifically provided for in the Purchase Order.
- 9 The County will not pay for packaging, boxing or cartage. Damage resulting from improperly packaged material will be charged to the Contractor.

- 11 This Purchase Order shall be governed and construed in accordance with the law of the State of Maryland without regard to any choice of law principles.
- 12 All deliveries and services furnished under this Purchase Order must be of the quality specified or in the event no quality is specified, must be the best of their respective kinds, and will be subject to inspection and approval of the County within a reasonable time after delivery of goods or completion of services. - 16 If required, a sufficient number of shop drawings and/or catalog data shall be furnished to the County within 15 days (unless otherwise specified) for necessary approval.

- 17 In the event any article sold and delivered hereunder shall be defective in any respect whatsoever, the Contractor will indemnify and save harmless the County from all losses or expenses by reason of all accidents, injuries or damages to persons or property resulting from the use of such article or which are contributed to by said defective condition.
- 18 The Contractor shall indemnify and hold harmless the County, its employees, agents and officials from any and all claims, losses or expenses resulting from any accidents, injuries or damages to persons or properties, suits or demands including reasonable attorney fees which may be made against the County, its employees, agents or officials resulting from any act or omission committed in the performance of the duties imposed by and performed under the terms of this Purchase Order by the Contractor or anyone under agreement with the Contractor to perform duties under this Purchase Order. The Contractor shall not be responsible for acts of negligence or willful misconduct committed by the County, its employees, agents and officials. Any property or work to be provided by the Contractor under this Purchase Order will remain at the Contractor's risk until written acceptance by the County; and the Contractor will replace, at the Contractor's expense, all property or work damaged or destroyed by any cause whatsoever.
- 19 Liability for Damage: If this Purchase Order calls for work to be performed upon property owned or controlled by the County it is understood and agreed that:
 - 19.1 Mechanic's Liens: The Contractor will keep the premises and work free and clear of all mechanic's liens, and furnish the County certificate and waiver as provided by law.
 - 19.2 Property and Casualty Losses: The work will remain at the Contractor's risk prior to written acceptance by the County and the Contractor will replace at its own expense all work damaged or destroyed by fire, force or violence of the elements or any cause whatsoever.
 - 19.3 Injury to Contractor's Personnel: The Contractor understands and agrees that they are the sole employer of all persons employed by Contractor to perform services under this Purchase Order and agrees on behalf of itself and its workers' compensation insurer that the County is not a dual employer of such personnel. If Contractor is hiring independent contractors or subcontractors to perform services under this Purchase Order, Contractor shall assure that all such persons are properly covered under Maryland workers' compensation law and will indemnify, save harmless and defend the County from all workers' compensation claims filed by such persons against the County.
 - 19.4 Workers' Compensation Insurance: During the term of this Purchase Order, the Contractor will provide workers' compensation insurance in compliance with Maryland law for its employees and shall be responsible to verify workers' compensation coverage for all independent contractors and subcontractors. - 23 Termination
 - 23.1 Termination for Convenience: The County may terminate this Purchase Order, in whole or in part, if the County determines that such termination is in the best interest of the County, without showing cause, upon giving at least 30 days written notice to the Contractor. The County shall pay all reasonable costs incurred by the Contractor up to the date of termination. However, in no event shall the Contractor be paid an amount which exceeds the price bid for the work performed. The Contractor shall not be reimbursed for any profits which may have been anticipated but which have not been earned up to the date of termination.
 - 23.2 Termination for Default: When the Contractor has not performed or has unsatisfactorily performed one or more material terms of the Purchase Order, the County may terminate the Purchase Order for default. Upon termination for default, payment may be withheld at the discretion of the County. Failure on the part of the Contractor to fulfill the contractual obligations shall be considered just cause for termination of the Purchase Order. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder. The Contractor will be paid for work satisfactorily performed prior to termination less any excess costs incurred by the County in reprocurring and completing the work.

- 2.2 The County Purchasing Agent or Designee, with the approval of the County Executive, may waive formalities or technicalities in bids as the interest of the County may require.
- 2.3 The County Purchasing Agent or Designee reserves the right to increase or decrease the quantities to be purchased at the prices bid. The quantity intended to be purchased and the period and percentage amount of any such reservation will be stated in the solicitation.
- 2.4 The County Purchasing Agent or Designee reserves the right to award Agreements or place orders on a lump sum or individual item basis, or such combination as shall, in the County Purchasing Agent’s or Designee’s judgment, be in the best interest of the County.
- 2.5 The County Purchasing Agent or Designee may waive minor differences in specifications provided these differences do not violate the specification intent nor materially affect the operation for which the item or items are being purchased, nor increase estimated maintenance and repair cost to the County.
- 2.6 The County Purchasing Agent or Designee may reject any proposal which shows any omission, irregularity, alteration of forms, additions not called for, conditional or unconditional unresponsiveness, or proposals obviously unbalanced.

3 COMPETITION:

- 3.1 The name of any manufacturer, trade name, or manufacturer or vendor catalog number mentioned in this solicitation is for the purpose of designating a minimum standard of quality and type. Such

references are not intended to be restrictive. Bids will be considered for any brand that meets or exceeds the quality of the specifications unless otherwise stated in the solicitation.

- 3.2 A Contractor may offer only one price on each item. Submission by a single Contractor of more than one price for a single item shall be sufficient cause for rejection of all prices for that item submitted by the Contractor. Alternate bids are prohibited and will be rejected.
- 4 UNBALANCED BIDS: A Bid shall be mathematically unbalanced if the Bid contains unit pricing that does not reflect reasonable costs (including actual labor and material cost, overhead and profit) for the performance of the bid item(s) in question. A bid shall be materially unbalanced if there is a reasonable doubt that award of the mathematically unbalanced Bid will result in the lowest ultimate cost to the County. A Bid that is, in the sole discretion of the County Purchasing Agent both mathematically and materially unbalanced, may be rejected as non-responsive.

(An example would be bidding overhead labor rates below regular time rates, or bidding laborer rates above Supervisor or Foreman rates. Another example is bidding a 1 gallon container of a product higher than a 5-gallon container of the same product.)
- 5 PERIOD OF VALIDITY: Unless otherwise specified, all formal bids submitted shall be irrevocable for 120 days following the bid opening date, unless the Contractor, upon request of the County Purchasing Agent or Designee, agrees to an extension. Bids may not be withdrawn during this period.
- 6 DELIVERY:
 - 6.1 Contractors shall guarantee delivery of services in accordance with such delivery schedule as may be provided in the solicitation.
 - 6.2 All items shall be delivered F.O.B. Destination, Inside Delivery, and delivery costs and charges included in the bid, unless otherwise stated in the solicitation.
 - 6.3 The County Purchasing Agent or Designee reserves the right to charge the Contractor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the County Purchasing Agent or Designee and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the Contractor.
 - 6.4 The County Purchasing Agent or Designee reserves the right to procure the supplies/services elsewhere on the open market if delivery is not made as specified, in which event, the extra cost of procuring the services may be charged against the Contractor and deducted from any monies due or which may become due.
- 7 GOVERNING LAW:
 - 7.1 This Agreement shall be governed by and construed in accordance with the laws of the State of Maryland without regard to any choice of law principles that would dictate the laws of any other jurisdiction. The parties agree that the exclusive venue for any and all actions related hereto shall be the appropriate Federal or State court located within the State of Maryland.
 - 7.2 The laws of Maryland and Howard County shall govern the resolution of any issue arising in connection with the contract, including, but not limited to, all questions on the validity of the contract, the capacity of the parties to enter therein, any modification or amendment thereto, and the rights and obligations of the parties hereunder.
- 8 PROTEST: Any protest concerning the award of an Agreement shall be decided by the County. Protests shall be made in writing to the Issuing Office and shall be filed within ten days of issuance of award notification. A protest is considered filed when received by the Issuing Office. The written protest shall include the name and address of the protestor, identification of the procurement, a statement of the specific reason for the protest and supporting exhibits. The Issuing Office will respond to the written protest within ten days. The County's decision is final.

- 9 **DISPUTES:** In cases of disputes as to whether or not an item or service quoted or delivered meets specifications, the decision of the County Purchasing Agent or Designee shall be final and binding on all parties. All other disputes arising under or related to the Agreement will be resolved, to the extent possible, by negotiation and settlement between the parties. Pending resolution, the Contractor shall proceed diligently with performance of the Agreement unless otherwise directed in writing.
- 10 **AUTHORITY:** Solicitations are issued pursuant and subject to the provisions of Article VIII, Howard County Charter; Sections 4.100 through 4.123, Howard County Code, 2003; and the rules and regulations as prescribed by the County.
- 11 **FAIR LABOR STANDARDS ACT:** All goods against this order must be produced in compliance with the requirements of the Fair Labor Standards Act of 1938, as amended including Section 6, 7 and 12, and regulations and orders issued under Section 14 thereof.
- 12 **CASH DISCOUNTS:** If applicable, cash discounts will be taken into consideration in determining the award. However, an offer of a cash discount must allow a reasonable period of not less than 30 days in order to be included in evaluation of bid pricing. A bid offering a cash discount in a period of less than 30 days will be evaluated as a bid without a cash discount offer. If the Contractor obtains an award by reason of their gross price, the County will hold the offer of a cash discount and make every effort to obtain such discount.
- 13 **UNIT PRICES:** Unless the Contractor clearly shows that it is the intent that a reduced total price is being offered on the basis of receiving an award of all items covered by the total, any totals should be the actual sum of the extension of unit prices. Otherwise, in the event of any discrepancy between a unit price(s), extended price(s), and/or total price(s), unit prices will govern and the bid will be refigured accordingly.
- 14 **NON-WAIVER:** Any waiver of any breach of covenants herein contained to be kept and performed by the Contractor shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same condition of covenant or otherwise.
- 15 **PATENTS:** If applicable, the Contractor shall defend any suit or proceeding brought against the County so far as based on a claim on any equipment, or on any part thereof, furnished under this Agreement which constitutes an infringement of any patent of the United States, if notified promptly in writing and given authority, information and assistance (at the Contractor's expense) for the defense of same, and the Contractor shall pay all damages and costs awarded therein against the County. In case said equipment or any part thereof, in such suit is held to constitute infringement and the use of said equipment or part if enjoined, the Contractor shall, at its own expense, either procure for the County the right to continue using said equipment or part, or replace same with non-infringing equipment or part, or modify so that it becomes non-infringing.
- 16 **MARYLAND REGISTRATION:** Contractors must be registered to do business in, and must be in good standing in, the State of Maryland. Contractors not registered must obtain registration information from the Maryland Department of Assessments and Taxation website at: www.dat.state.md.us/ or by calling 410-767-1184 or Toll Free 888-246-5941.
- 17 **AVAILABILITY OF FUNDS:** The contractual obligation of the County under this Agreement is contingent upon the availability of appropriated funds from which payment for this Agreement can be made.
- 18 **INTEGRATION AND MODIFICATION:** This solicitation, the Contractor's response to this solicitation, subsequent Purchase Order(s), and, if applicable, the legal Agreement represents the entire understanding between the parties. Any additions or modifications shall only be made in writing and executed by both parties.
- 19 **NON-ASSIGNMENT OF AGREEMENT:** Neither the County nor the Contractor shall assign, sublet or transfer its interest or obligations under the resulting Agreement to any third party, without the written consent of the other. Nothing herein shall be construed to create any personal or individual liability upon any employee, officer or elected official of the County, nor shall the resulting Agreement be construed to create any rights hereunder in any person or entity other than the parties to this Agreement.

20 AGREEMENT:

- 20.1 The County and Contractor must execute an Agreement resulting from the award of this solicitation. This process typically takes approximately three weeks from the date the successful Contractor is identified. In order to expedite this process, a sample standard Agreement is attached for review as part of this solicitation. Exceptions, if any, to the County's standard Agreement, Exhibit I, must be noted in the bid to be considered during evaluation. Exceptions to the County's standard Agreement may result in rejection of the bid.
- 20.2 Do not fill in or sign the sample Agreement attached as Exhibit I. The County will prepare an Agreement specific to this solicitation for execution by the successful Contractor.

21 PUBLIC INFORMATION/PROPRIETARY/CONFIDENTIAL INFORMATION:

- 21.1 The County operates under a public information law, which permits access to most records and documents.
- 21.2 Bids will be available for public inspection after the award announcement, except to the extent that a Contractor designates trade secrets or other proprietary data to be confidential. Material designated as confidential must be readily separable from the remainder of the bid to facilitate public inspection of the non-confidential portion of the bid. A Contractor's designation of material as confidential will not necessarily be conclusive, and the Contractor may be required to provide justification why such material should not be disclosed, on request, under the Maryland Access to Public Records Act, State Government Article, Sections 10-611 through 10-628, of the Annotated Code of Maryland

22 COOPERATIVE PURCHASE:

- 22.1 The County reserves the right to extend all of the terms, conditions, specifications, and unit or other prices of any Agreement resulting from this solicitation to any and all public bodies, subdivisions, schools districts, community colleges, colleges, and universities including non-public schools. This is conditioned upon mutual agreement of all parties pursuant to special requirements, which may be appended thereto. The Contractor agrees to notify the issuing body of those entities that wish to use any Agreement resulting from this solicitation and will also provide usage information, which may be requested.
- 22.2 The County assumes no authority, liability or obligation, on behalf of any other public or non-public entity that may use any Agreement resulting from this solicitation. All purchases and payment transactions will be made directly between the Contractor and the requesting entity. Any exceptions to this requirement must be specifically noted in the bid response.

23 ENVIRONMENTALLY PREFERABLE PRODUCTS: The County shall give a percentage price preference not exceeding 5% for the purchase of environmentally preferable products. The percentage price preference will not apply if doing so will cause a denial of Federal or State funding or is inconsistent with Federal or State law.

24 AWARD NOTIFICATION:

- 24.1 Award notification will be by U.S. Mail, e-mail or fax or a combination thereof.
- 24.2 The awarded Contractor(s) will be required to return a Insurance Certificate naming "Howard County, Maryland, its officials, employees, agents and volunteers" as Certificate Holder and as Additional Insured, the executed Agreement* the completed EBO Schedule of Participation and the Maryland Registration Certificate of Good Standing.

*** As Offerors have had an opportunity to note Exceptions to the Agreement with their bid submission, it is anticipated that execution of the Agreement will require minimal time. PLEASE BE SURE TO READ THE SAMPLE AGREEMENT, EXHIBIT I. PRIOR TO SUBMISSION OF YOUR BID.**

25 TERMINATION:

- 25.1 Termination for Convenience: The County may terminate this contract, in whole or in part, if the County determines that such termination is in the best interest of the County, without showing cause, upon giving at least 30 days written notice to the Contractor. The County shall pay all reasonable costs incurred by the Contractor up to the date of termination. However, in no event shall the Contractor be paid an amount which exceeds the price bid for the work performed. The Contractor shall not be reimbursed for any profits which may have been anticipated but which have not been earned up to the date of termination.
- 25.2 Termination for Default: When the Contractor has not performed or has unsatisfactorily performed one or more material terms of the contract, the County may terminate the Purchase Order for default. Upon termination for default, payment may be withheld at the discretion of the County. Failure on the part of the Contractor to fulfill the contractual obligations shall be considered just cause for termination of the contract. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder. The Contractor will be paid for work satisfactorily performed prior to termination less any excess costs incurred by the County in reprocurring and completing the work.

Contractor’s attendance is not required but is strongly encouraged.  - 5.2 The County reserves the right to inspect the Contractor's equipment and to perform such investigations as may be deemed necessary to insure that competent personnel and management will be utilized in the performance of the Agreement.

- 5.3 In accordance with Howard County Code Sec. 4.117 (a) (4), the quality of performance of previous contracts or services shall be considered in determining the lowest responsive and responsible bidder. Quality of performance may be determined through contracts or services provided to the County or to other entities. Quality of performance to other entities will be determined from reference checks when references are required. The determination of quality performance includes the Contractor's history of reasonable and cooperative behavior and commitment to customer satisfaction and the Contractor's businesslike concern for the interests of the customer. The County reserves the right to reject any bid deemed not responsible or non-responsive.

Contractors may independently arrange to visit the facility to satisfy themselves of conditions there.
 - 16.2.3.2 The Contractor shall be responsible for transporting waste filled trailers from Alpha Ridge Landfill, located at 2350 Marriottsville Road, Marriottsville, MD 21104 to Waste Management's Annapolis Junction Transfer Station (acceptance facility) located at 8077 Brock Bridge Road, Jessup, Maryland 20724. Standard hours for delivering waste are 6:00 am – 5:00 pm.

16.2.3.9 While the street address of Annapolis Junction is 8077 Brock Bridge Road, the use of Brock Bridge Road from Route 175 is prohibited to trucks. The Contractor may enter from Guilford Road.

16.2.4 Transportation to Annapolis Junction – Alternative Hours

16.2.4.1 At the County's direction, the Contractor shall deliver waste to Annapolis Junction during any period that may include hours before or after the period between 6:00 am and 5:00 pm. The County's decision on delivery hours is predicated on lowest delivery cost, which includes not only the Contractor's delivery fees but also any fees charged by Waste Management for delivery outside standard hours and can include wait time at the acceptance facility. Documentation for time spent in the queue is the responsibility of the Contractor.

16.3 County Provided Services

16.3.1 Trailer Storage Area

16.3.1.1 The Contractor will store empty and full trailers in the trailer parking area located immediately north of the Alpha Ridge Landfill Transfer Station. The parking area is designed for 15 trailers with a future capacity of 33 trailers. The County may direct the Contractor to store trailers at other locations.

16.3.1.2 The Trailer Storage area is designed to segregate stormwater from leachate / drippage from the trailers and the Contractor shall comply with parking instructions provided by the Alpha Ridge Landfill Site Supervisor.

16.3.2 Alpha Ridge Landfill Transfer Station

16.3.2.1 The Alpha Ridge Landfill Transfer Station was constructed in 2004 and has the capacity for 500 tons per day. It has a tunnel with a hydraulic scale that the Contractor will park the tractor trailer on for loading purposes. The County is prohibited from accepting hazardous materials, liquid wastes, or dead animals. The scale is capable of identifying the load per axle and the total weight of the truck. The Contractor shall be responsible for generating a load ticket for each load.

16.3.2.2 The County maintains the facility in such a manner to make it easy and convenient for loading. This does not however relieve the Contractor to act in a safe and responsible manner at the facility.

16.3.3 Trailer Loading

16.3.3.1 Equipment operators in the transfer station will top load the live floor trailer. To facilitate the use of a live floor, the operators shall avoid loading the trailer with large items such as furniture or other items that do not move well with a live floor. They may use grapple equipment to reasonably compact the refuse.

16.3.3.2 Where compaction impacts the trailer or the operation of the live floor, a representative of the Contractor may make recommendations as to the loading process.

16.3.4 Scheduling of Services

16.3.4.1 The Alpha Ridge Landfill Site Superintendent or an Alpha Ridge Landfill site supervisor may adjust the number of trailers from those indicated in 16.1.2. The Alpha Ridge Landfill Site Superintendent shall also identify the delivery window to Annapolis Junction.

16.3.4.2 When emergencies occur, the Alpha Ridge Site Superintendent or designee shall be the one to make arrangements for additional trailers, deliveries and extended hours.

16.3.5 Trailer Switch-out and Positioning for Loading

16.3.5.1 The County owns a 2013 International 7600 SFA 6x4 2010(SF567) tow tractor and has employees with CDL A licenses. For convenience of both parties, the County is able and willing to switch out trailers and position empty trailers into position for loading. At such time as the Contractor's driver is otherwise occupied, and it would be an inconvenience to wait for the Contractor's driver to be available to move a fully loaded trailer off the scale in the transfer station tunnel, the Contractor may agree to allow County drivers to use County equipment and switch out the loaded Contractor's trailer and place an empty Contractor's trailer in position for loading.

16.3.5.2 County operators will move the Contractor's trailers only on the Alpha Ridge Landfill property, to and from the trailer storage area to the Transfer Station and back. In no instance shall the County's operators leave the site with the Contractor's trailers. The County can provide the names, license numbers for the drivers considered for this work. The County will not be responsible for tarping the trailer(s).

16.3.5.3 Agreement to Trailer Switch-out and Positioning for loading by the County operators shall be indicated in the bid response. The Contractor and its insurer will be required to waive subrogation for any covered losses resulting from a County operator with a CDL class A license towing the Contractor's trailers.

16.3.5.4 This switch-out by County employees may take place no more than seven (7) times per week without the Contractor being in violation of the Contract.

16.4 Emergency Services

16.4.1 Extended Hours

16.4.1.1 The County may extend the operating hours at the Alpha Ridge Landfill based on direction from the Director of Public Works or designee. If this is the case, the Alpha Ridge Landfill Superintendent will notify the Contractor with as much notice as possible. The Contractor shall make every effort to provide personnel necessary to provide trailer switch-out and positioning for loading services where required.

16.4.2 Long Haul Services

16.4.2.1 At such time that there is an emergency where Annapolis Junction cannot accept material and the County chooses not to bury their waste material at Alpha Ridge Landfill, long haul services would be required to transport filled tractor trailers

to an approved acceptance facility. Under these circumstances, we anticipate approximately 500 tons per day through the Alpha Ridge transfer station. The approved acceptance facility may be, but is not limited to King George County Landfill, 10376 Bullock Dr., King George Virginia 22485.

- 16.4.2.2 The acceptance facility used during emergency conditions may be another landfill or nearby transfer station. This facility will have adequately maintained roadways for transporting the material to the point of discharge. The Contractor may use the unloading method specific to the trailers (tipping trailer or live floor) or they may use the acceptance facility's trailer tipper for unloading. The acceptance facility will use industry accepted standard practices for unloading standard waste haul trailers.
- 16.4.2.3 When directed to conduct emergency long haul services, the Contractor shall meet or discuss with the Alpha Ridge Landfill Site Superintendent, the plan for such hauling. The topics shall include estimate tonnages, the destination (i.e. acceptance facility), the delivery time and the expected route traveled.
- 16.4.2.4 Drivers shall maintain a log that documents:
 - a) time and odometer reading leaving Alpha Ridge
 - b) time and odometer reading arriving at the acceptance facility
 - c) time unloaded
 - d) time and odometer reading leaving the acceptance facility
 - e) time and odometer reading returning to Alpha Ridge Landfill.
- 16.4.2.5 If contracted for emergency hauling services only, a performance bond is not required.
- 16.4.2.6 Contractors interested in emergency hauling services, but not capable of meeting the equipment or personnel needs for 500 tons per day, may indicate their limits as an exception per Section E Paragraph 4 in their bid response.

16.5 Payment Items

16.5.1 Trailer Switch-out and Positioning for Loading

- 16.5.1.1 This item shall be paid on a daily basis. It shall include provision of all necessary labor, materials and equipment to provide these services. Services shall include but shall not be limited to positioning of tractor and trailer on scales, generation of the load ticket, tarping, transportation to storage, maintenance and upkeep including licensure and insurance of tractor and trailer units and overhead.
- 16.5.1.2 Where the County shortens operating hours in any day, a full day's rate shall be paid. Where the County extends operating hours on any standard business day, or includes operations on a day normally closed, the Contractor shall be paid one eighth of a day per hour worked times 150%.
- 16.5.1.3 The Contractor shall be paid for all days where the Alpha Ridge Landfill is closed with less than 24 hour notice.

16.5.2 Transportation to Annapolis Junction – Standard Hours / Alternate Hours

- 16.5.2.1 This item shall be paid on a per round-trip basis. It shall include provision of all necessary labor, materials and equipment to provide these services.

the County. The compensation policy and procedures for tracking waiting times may be revised at the discretion of the County.

- 16.5.3.2 The hourly rates shall include but not limited to wages, benefits, equipment including equipment rental as required, mileage expenses, fuel, insurance, administrative overhead including dispatch and profit.

- 16.5.3.3 The County shall pay one-half hour every four hours worked to cover breaks and rest periods.

- 16.6 Penalties

- 16.6.1 Failure to provide adequate number of trailers

- 16.6.1.1 The Alpha Ridge Site Superintendent shall notify the Contractor of any time that he/she believes that the site will be in need of additional empty trailers. This will in no manner remove the responsibility from the Contractor of providing adequate numbers of empty trailers for use.

- 16.6.1.2 The Contractor shall be penalized one day of payment for Trailer Switch-out and Positioning for each ½ hour that operators within the transfer station are unable to load into one of the Contractor's trailers.

- 16.6.2 Failure to transport to Annapolis Junction

- 16.6.2.1 If loaded trailers are not removed from the site within 24 hours of the completion of loading, the Contractor may be fined four hundred dollars (\$400.00) per trailer per day for these failures to provide service as required under the contract specifications.

- 16.6.2.2 The Contractor will be notified in writing of these conditions.

SECTION H

EQUAL BUSINESS OPPORTUNITY PARTICIPATION

NOTICE TO PRIME CONTRACTORS 10% SUBCONTRACTING GOAL ON CONTRACTS VALUED AT \$50,000 OR MORE

Howard County Code Section 4.122 established an Equal Business Opportunity program to foster overall equity and fairness to all citizens in relation to business enterprises conducting business with the County.

If a contract is \$50,000 or more, the Prime Contractor shall make a good faith effort to comply with the Howard County Equal Business Opportunity (EBO) program's 10% subcontracting goal. The Prime Contractor shall make a good faith effort to obtain minority subcontractor participation even if the Prime Contractor has the capability to complete the work with its own workforce. This is also applicable to Prime Contractors that are minority-owned firms. The percentage requirement may vary. Prime Contractors should submit the following completed *Equal Business Opportunity Subcontractor Participation Form* with the bid. Identify subcontractors prior to submitting the proposal. After contract award, changes in subcontractors require the written approval of the EBO Coordinator.

Possible areas of obtaining subcontracting participation include, but are not limited to, flagging services, hauling, copying and printing, and the purchase of materials used in performing the contract. Contractors may use minority, women or disabled business enterprises certified by Howard County, Maryland; the Maryland Department of Transportation; the City of Baltimore, Maryland; or another certifying entity in order to satisfy the 10% subcontracting goal. The website addresses for lists of minority businesses are:

[Howard County - Equal Business Opportunity List of Firms A-Z](http://www.mdot.state.md.us/MBE_Program/index.html)
http://www.mdot.state.md.us/MBE_Program/index.html
<http://cityservices.baltimorecity.gov/mwboo>

Contractors should submit a completed *Equal Business Opportunity Subcontractor Participation Form* with the bid identifying each certified EBO firm they intend to use on the contract. However, if the EBO Subcontractor Participation Form is not submitted with the bid, the County may request EBO subcontractor participation of the successful contractor.

Contractors failing to achieve the Equal Business Opportunity Program goal following a good faith effort to obtain participation must complete the *Equal Business Opportunity Program Request for Subcontracting Waiver* and provide documentation of its good faith attempts to obtain EBO participation. The County will determine if the efforts made satisfy a good faith attempt. A waiver will only be considered in rare contracts after a determination that the Contractor has made a good faith effort and thoroughly documented the efforts. Contractors should submit the *Equal Business Opportunity Program Request for Subcontracting Waiver* with the bid. However, if the request for waiver form is not submitted with the bid, the County may obtain the request for waiver of the successful contractor.

If the County exercises its option to renew the contract, it is expected that the EBO subcontracting goal will be met for each subsequent contract year when the contract amount is \$50,000.00 or more. Questions relating to the EBO program shall be directed to the EBO Coordinator 410-313-6370.

PRIME CONTRACTORS' COMPLIANCE OF EBO SUBCONTRACTOR PARTICIPATION

Prime Contractors that are awarded County contracts shall maintain adequate records of EBO participation on County contracts. The County may require that prime contractors report whether or not they met the proposed EBO subcontracting goal, so that the County can track compliance of EBO participation on County contracts.

SECTION I

INFORMATION ON HOWARD COUNTY, MARYLAND'S LIVING WAGE REQUIREMENT

Basics of the Howard County Living Wage Legislation

In 2007, the Howard County Council passed legislation requiring a minimum “living wage” for employees of certain contractors and subcontractors of Howard County. A Contractor that is defined as a “Covered Employer” under Howard County Code Section 4.122A shall pay each employee an hourly rate sufficient to at least equal 125% of the federal poverty guidelines for a family of four individuals calculated on the basis of a 40-hour work week for 52 weeks.

Howard County Code Sec. 4.122A applies to service contracts estimated to be over \$100,000.00 per year. The code does not apply to commodities contracts, contractors who employ fewer than 5 employees during the contract term, public entities, non-profit organizations, or contracts awarded under sole source, emergency, or expedited procedures. Other contractors may also be exempt; see the complete list of exemptions in Section 1 on the front of this form.

The living wage requirements do not apply to an employee:

- who performs no measurable work related to any contract with the County
- who participates in a government-operated or government-sponsored program that restricts the earnings of or wages paid to employees to a level below the wage required under the law
- who participates for not longer than 120 days in a calendar year in a government-operated or government-sponsored summer youth employment program
- for whom a different wage rate is expressly set in a collective bargaining agreement, or
- for whom a higher wage is required by a federal, state, or County law.

This form serves as written certification to the County of your firm's intent to comply with the County's wage requirements during this term and any subsequent renewals. A Covered Employer shall not subdivide a contract; pay an employee through a third party; or treat an employee as a subcontractor or independent Contractor to avoid the imposition of any requirement under this law. Failure to comply with this requirement at any time during the initial term and subsequent renewals may be sufficient cause for termination for default. A violation of this law is a Class A civil offense; in addition to a fine, the County may suspend or debar the violator under Howard County Code Sec. 4.117.

Current Living Wage Rate in Howard County

As of January 31, 2017, the Living Wage Rate is **\$14.78 per hour**.

How the Living Wage Rate is Calculated

The Howard County Living Wage Rate is calculated by taking 125% of the Federal Poverty Guideline for a family of 4, then using this amount to determine the hourly rate based on 40 hours/week. For example, on January 31, 2017, the Federal HHS Poverty Guideline was published as \$24,600 for a family of 4 (see <https://aspe.hhs.gov/poverty-guidelines>).

$$125\% \text{ of } \$24,600 = \$30,750.00 \qquad \$30,750.00 \div 52 \text{ weeks} \div 40 \text{ hrs/week} = \mathbf{\$14.78 \text{ per hour}}$$

This hourly rate must be paid to employees (full-time or part-time) during the time the employees actually provide services to the County. The current Living Wage remains in effect until new federal poverty guidelines are published, which is usually the following January. If there is a change, the Office of Purchasing will attempt to notify all current contractors via email using the email address provided on this form. The current rate is posted on our website at www.howardcountymd.gov/purchasing. It is the contractor's responsibility to ascertain the current rate.

Since the rate is subject to change annually, you must ensure that your bid pricing is sufficient to cover the cost of any increases during the term of the contract, including subsequent renewals. All prices shall take the current wage rate, and subsequent increases in the wage rate, if any, into account and there shall be no unit price adjustment for future wage rate increases during the initial term of this agreement and any subsequent renewals thereof. Future wage rate increases are hereby defined as any new rates approved by the County that take effect after and supersede the rate shown in this solicitation.

If you have questions about the Living Wage Requirement or how to complete this form, please contact the Office of Purchasing at purchasing@howardcountymd.gov or 410-313-6370.

HOWARD COUNTY CHARTER AND CODE REFERENCES TO ETHICS

Charter Section 901. Conflict of Interest.

(a) **Prohibitions.** No officer or employee of the County, whether elected or appointed, shall in any manner whatsoever be interested in or receive any benefit from the profits or emoluments of any contract, job, work, or service for the County. No such officer or employee shall accept any service or thing of value, directly or indirectly, from any person, firm or corporation having dealings with the County, upon more favorable terms than those granted to the public generally, nor shall he receive, directly or indirectly, any part of any fee, commission or other compensation paid or payable by the County, or by any person in connection with any dealings with the County, or by any person in connection with any dealings with or proceedings before any branch, office, department, board, commission or other agency of the County. No such officer or employee shall directly or indirectly be the broker or agent who procures or receives any compensation in connection with the procurement of any type of bonds for County officers, employees or persons or firms doing business with the County. No such officer or employee shall solicit or accept any compensation or gratuity in the form of money or otherwise for any act or omission in the course of his public work; provided, however, that the head of any department or board of the County may permit an employee to receive a reward publicly offered and paid for, for the accomplishment of a particular task.

(b) **Rules of construction; exceptions by Council.** The provisions of this Section shall be broadly construed and strictly enforced for the purpose of preventing officers and employees from securing any pecuniary advantages, however indirect, from their public associations, other than their compensation provided by law.

In order, however, to guard against injustice, the Council may, by resolution, specifically authorize any County officer or employee to own stock in any corporation or to maintain a business in connection with any person, firm or corporation dealing with the County, if, on full public disclosure of all pertinent facts to the County Council by such officer or employee, the Council shall determine that such stock ownership or connection does not violate the public interest.

The County Council may, by ordinance, delegate to the Howard County Ethics Commission the power to make such determinations and to authorize the ownership or connection. Any ordinance which delegates this power shall provide for procedures including a public hearing, and shall establish criteria for determining when the ownership or connection does not violate the public interest.

(c) **Penalties.** Any officer or employee of the County who willfully violates any of the provisions of this Section shall forfeit his office. If any person shall offer, pay, refund or rebate any part of any fee, commission, or other form of compensation to any officer or employee of the County in connection with any County business or proceeding, he shall, on conviction, be punishable by imprisonment for not less than one or more than six months or a fine of not less than \$100.00 or more than \$1,000.00, or both. Any contract made in violation of this Section may be declared void by the Executive or by resolution of the Council. The penalties in this Section shall be in addition to all other penalties provided by law.

Code Section 4.119. Ethics and Fair Employment Practices.

(a) **Conflict of Interest**

Bidders, vendors, purchasers and county employees involved in the purchasing process shall be governed by the provisions of the Howard County Charter and Howard County law regarding conflict of interest. No vendor shall offer a gratuity to an official or employee of the county. No official or employee shall accept or solicit a gratuity.

(b) **Discouragement of Uniform Bidding.**

(1) It is the policy of the county to discourage uniform bidding by every possible means and to endeavor to obtain full and open competition on all purchases and sales.

(2) No bidder may be a party with other bidders to an agreement to bid a fixed or uniform price.

(3) No person may disclose to another bidder, nor may a bidder acquire, prior to the opening of bids, the terms and conditions of a bid submitted by a competitor.

(c) **Fair Employment Practices**

(1) Bidders, vendors and purchases may not engage in unlawful employment practices as set forth in Subtitle 2 "Human Rights" of Title 12 of the Howard County Code, Subtitle 6 of Title 20 of the State Government Article, Annotated Code of Maryland or Sections 703 and 704 of Title VII of the Civil Rights Act of 1964 as amended. Should any bidders, vendors or purchasers engage in such unlawful employment practices, they shall be subject to being declared irresponsible or being debarred pursuant to the provisions of this subtitle.

(2) The Howard County Office of Human Rights shall notify the county purchasing agent when any bidder is found, by a court of competent jurisdiction, to have engaged in any high unlawful employment practices.

(3) If any bidder has been declared to be an irresponsible bidder for having engaged in an unlawful employment practice and has been debarred from bidding pursuant to this subtitle, the Howard County Office of Human Rights shall review the employment practices of such bidder after the period of debarment has expired to determine if violations have been corrected and shall, within 30 days, file a report with the county purchasing agent informing the agent of such corrections before such bidder can be declared to be a responsible bidder by the County Purchasing agent.

(4) Payment of subcontractors. All contractors shall certify in writing that timely payments have been made to all subcontractors supplying labor and materials in accordance with the contractual arrangements made between the contractor and the subcontractors. No contractor will be paid a second or subsequent progress payment or final payment until such written certification is presented to the county purchasing agent.
